

Volunteering Strategy for South Australia to 2020

Call for Expressions of Interest

Independent Chair – Partnership Advisory Board

The Volunteering Strategy for South Australia is a collaborative 'blue print' for action between four sectors: volunteer involving organisations, business, Local Government and State Government.

The collaboration of these four partners has created an innovative, world-first Strategy to build a thriving volunteer sector that contributes significantly to the vibrancy and quality of our society and to building healthy, resilient South Australian communities. The Volunteering Strategy for South Australia supports our state to reach a volunteer participation rate of 70% or better.

We are seeking a highly respected, influential leader in business, government or the Not-For-Profit sector as the Independent Chair of the Volunteering Strategy for South Australia Advisory Board.

The Independent Chair is a voluntary role, appointed by and accountable to the Strategy signatories. The Chair will be a strategic influencer in South Australia, with extensive knowledge of the volunteering sector, who will:

- lead the Partnership Advisory Board in developing and implementing the strategic agenda of the Volunteering Strategy for South Australia
- foster relationships between Signatory partners, Partnership Advisory Board, committee members and sector stakeholders to harness the potential benefits of the Strategy
- be a strong spokesperson for the Strategy and an advocate for the volunteering sector in South Australia.
